Dear Ms Carnell

Insolvency Practices Inquiry

This is a national submission by the Pitcher Partners Business Recovery and Insolvency practice in response to the release of the ASBFEO Insolvency Practices Inquiry Discussion Paper in December 2019.

The Australian Restructuring Insolvency & Turnaround Association (ARITA) has made a submission on behalf of its members. We note the comments made in the ARITA submission to the discussion paper and add our support to those recommendations.

Our national practice is supportive of any reform that encourages and facilitates restructuring while reducing the stigma attached to business financial distress and failure.

Yours sincerely

Paul G Weston
Chairman
National Business Recovery and Insolvency
